

95 Years of Service to Volunteer Firemen

The Signal

Volume 48 No. 8 Official Publication of the NJ & NY Volunteer Firemen's Association

December 2010

From the Editor

This issue of The Signal contains the applications for our Fireman of the Year, Rudy Appeld Service and Scholarship awards. If your department has a member that has performed outstanding heroic service at an incident, consider nominating that member for the Joe Costello Fireman of the Year award. How about a member that is also active in their community in addition to being a firefighter? Consider that member for the Rudy Appeld Service Award. Lets not forget about members of our family that are planning to attend higher education. Submit their name for consideration in our Scholarship Awards.

On behalf of President James Cole and all the Association Officers and Trustees, we wish you all the very best for a Happy, Healthy and Safe Holiday Season. Merry Christmas and Happy Chanukah to all!

Be Safe and remember our troops!

Frank

Scholarship Guidelines

In keeping with the ideals of the New Jersey & New York Volunteer Firemen's Association, the following requirements shall be considered when choosing applicants.

All Applicants will have a SPONSOR. No one will nominate himself or herself. The SPONSOR shall be a member in good standing (dues fully paid). This SPONSOR must be a Personal or Life member of the New Jersey & New York Volunteer Firemen's Association ...not just a delegate.

First Preference:

- To an Active dues paying member or Life member of the NJ&NYVFA.
- A Child or Grandchild of any Active dues paying member or Life member.
- Applications may be Graduating High School Seniors or in College.
- Applications should be active in their respective municipalities Emergence Service Organizations. This can include Junior FD Responders, Probationary Firefighters, Rescue Squad/EMT (EMS) or Active Firefighters in their municipalities.

Second Preference:

- High School Seniors that are graduating and going to college, or may already be College students. (These students are children/grandchildren of NJ&NYVFA members and are NOT in any FD related organizations).

Third Preference:

- Applicants who are graduating High School or are already in college and suffer extreme financial hardships outside their control. The applicant who plans to pursue a degree that will make the fire service better shall be considered.

Each applicant shall be considered on its own merit and hardship. There shall be no precedent set. It is highly suggested that Applicants shall be pursuing degrees in Fire Science, Nursing/Medicine, Crime Scene Forensics (CSI) Criminal Justice or Law. (the thought is to make the fire service & fire service family better)

The Scholarship Committee will meet and discuss all applications and take each application on its own merit. The Scholarship Committee will report to the Executive Board prior to the June convention. If the Committee cannot reach a decision, the President will have final say on any application.

An applicant must be enrolled in or planning to enroll in the next scheduled semester of a two (2) or four (4) year accredited college or university. Applications must be postmarked by May 1st.
