100th Anniversary Convention & Parade

The 100th Anniversary Convention & Parade committee is hard at work finalizing the details for our celebration. The convention will be held at St. Joseph's Parish at the corner of Route 45 and Sneden Place West, Spring Valley, NY. The convention will be called to order by President Bob Kirsch at 8:00 P.M. on June 7, 2013. Attendees will be greeted by Parade and Convention Chairman Craig Miller of the Montvale Fire Department. Your hosts for the weekend will be Chief Larry Bolson, Spring Valley Fire Department, Chief Dave O'Brien, Pearl River Fire Department and Chief Clint Miller, Montvale Fire Department. Highlights of the convention will include keynote speaker, William Butler, Lieutenant of ladder 56 FDNY, who was in the group that was the last rescued after the collapse of the World Trade Center towers. He will share his experience with the convention. Also in the convention will be our Firefighter of the Year awards as well as the Company citation and the Rudy Appeld Service Award. Presentation of Scholarship Awards will also be done. We hope to have as many of our past officers attend the convention as we begin the weekend celebration of our anniversary. The committee is arranging for a great food spread after the meeting. We look forward to seeing you there.

Directions: Sneden Place is off Rt. 45 as you reach the North end of Spring Valley. Best approach from the South is to make your way to Rt. 59 heading toward Spring Valley. Rt. 59 intersects with Rt. 45. Head North on Rt. 45 and make your way through the village. When you pass the Fire Station, Sneden Place is two blocks North Rt. 45 runs through Hillcrest if that is a better approach.

Trucks and fire police will be out to assist guests and visitors in finding the church hall.
