Attach a summary of nominees qualifications covering the criteria listed below. Summaries should be at least one page but no more than two, double-spaced. Include any additional information such as newspaper articles, citations and excerpts from meeting minutes.

Consideration for the award will be based on the following:

- 1) Service from a member of the Ladies' Auxiliary who has over the years been outstanding in her support of not only the Ladies' Auxiliary, but of their Fire Department and municipality.
- 2) Some of these outstanding ladies may have been a member only a few years, but she has been outstanding in her organizational skills and her support of the Fire Department. Whether it has been to raise funds for the Auxiliary, or in braving a sleet filled January night to bring refreshments to the men, or responding to a heat and humidity filled event in July with water when the Fire Department has been called out to a lengthy house fire, we firefighters would like to show our deep appreciation for the love which has been shown to us.
- 3) The candidate of this award may be nominated by a Chief Officer of any member Department, by a vote of the Department itself or by vote of any organized Ladies' Auxiliary.
- 4) It is recognized that the Ladies' Auxiliaries, by virtue of their main reason for being – to support their Fire Department – do not receive the publicity they deserve. The filled in application may not have any particular newspaper clippings to refer to their service, but clippings of a fire and other written anecdotal references to other events may be submitted.
